

Dear parents,

It is with great responsibility that I welcome you to PM SHRI GGSSS LOHARU. The sole purpose of this school is to provide quality education and holistic development of every child. We are in the dispersal of knowledge to our students rather than creating wealth. Student welfare is the objective of our school. They are taught to be disciplined and punctual.

Along with academics and sports, nurturing team spirit amongst the community is of utmost importance.

The vision that we wish to instill in our students through academic excellence, community service, peace, consciousness and realization of the importance of universal love and faith in God.

The school family is a perfect blend of excellent infrastructure, an encouraging environment, diligent faculty, active and inquisitive students and supportive parents.

We believe to teach students to read and think critically, solve problems, communicate effectively and utilize technology in relevant ways throughout their school lives. The purpose of education is to replace an empty mind with an open one. Thus, we foster the wings of ambition in our students so that they can soar high like falcons to touch the skies and endeavour to make them global citizens who can look beyond geographical boundaries and promote a culture of peace and Universal Brotherhood.

The endeavour is to retain smiles on the faces of the children, channelize the energies of youthfulness while sensing the beautiful connectivity between the heart, character, nation and the world.

Thus, with a salubrious campus and dedicated highly qualified, experienced teachers, rigorous Scholastic programmers, well-planned and myriad co-curricular and sports programmers we ensure our students are equipped with skills to excel in a chosen fields. We provide a platform for our students to develop into adults endowed with analytical and logical thinking, a mind that is curious and inquisitive and sensitivity that makes them humane in thought, word and deed.

“May God bless you all?”
